

## Safe Arrival program registration

*Does your child walk themselves to school? If they do, you are eligible for the safe arrival program – fill out below. We need **parents to volunteer** once or twice a month, 9:15am-9:45am, to run the Safe Arrival program.*

I can volunteer for the safe arrival program once or twice a month, from 9:15-9:45am. (Please print clearly).

How this works: Parent volunteers check if your child arrives at school, and call you if they do not. You *must* call the safe arrival number if your child will be absent from school on any day. The safe arrival number is at the top of every newsletter. The program will start in October (if we get enough parent volunteers to run it). It will be announced in the newsletter.

*If your child **occasionally** walks themselves to school, you can have your child in the program for one day.*

How this works: On the day that your child walks themselves to school, call the safe arrival number (at the top of every newsletter). Leave a message with the date, your child's name, division, and your contact number. Parent volunteers will call you if your child does not arrive at school that day.
